

Group lists and Information about Exercise tutorials rooms:

In the following please find the general group to which you belong (E, H, K or V). Before each table you may find the room in which the exercise tutorials of your group will take place.

- Numbers next to the above letters indicate the group with which you will work in order to present one exercise solution during the semester. That means that persons with the same letter and number belong in the same Group for the exercise presentation.
- Please keep in mind that you are responsible for contacting the members of your group (for the exercise presentation).
- The column “Exercise” indicates the Exercise, the solution of which your group is going to present.
- No changes can be made in the following allocation to rooms and/or groups.
- Further information about the presentations will be provided at the first exercise tutorial.
- If your name is not in the following list please contact Vicky Malioka:
malioka@ibk.baug.ethz.ch

Kind Regards

The teaching assistants.
